SUMMARY

Final-year B.Tech Computer Science Engineering student with a strong foundation in software development, web technologies, and databases. Skilled in Python, JavaScript, Firebase, and MySQL with hands-on experience in building real-time applications. Passionate about developing scalable solutions and solving real-world problems efficiently.

EDUCATION

B.Tech (Computer Science Engineering)	2023 – 2026 CGPA: 8.42 / 10
Diploma in Computer Engineering	2020 – 2023 Percentage: 83.71
SSC	2020 Percentage: 96.80

TECHNICAL SKILLS

Languages: Python, Java, C, C++, JavaScript, SQL **Web Technologies:** HTML5, CSS3, Bootstrap **Frameworks/Platforms:** Firebase, Flutter **Tools:** VS Code, PyCharm, Android Studio, Git **Databases:** MySQL, Firebase Realtime Database, SQLite

KEY STRENGTHS

- Strong problem-solving and logical thinking
- Backend development using Python
- Database design and query handling
- Debugging and performance optimization
- Quick learner with adaptability

EXPERIENCE

Software Development Intern (Python Full Stack)	Feb 2026 – Present <i>QSpiders</i>
• Developed backend modules using Python (Flask/Django basics) • Integrated frontend with backend APIs and handled database operations • Implemented CRUD functionality for efficient data handling • Debugged applications and improved performance	
Web Development Intern	Jul 2022 – Aug 2022 <i>Inlight Technologies, Latur</i>
• Developed responsive web pages using HTML, CSS, and JavaScript • Improved UI and ensured cross-browser compatibility • Assisted in testing and fixing frontend issues	

PROJECTS

Google Classroom Clone

- Built a web-based platform with teacher and student dashboards
- Implemented authentication, assignment upload, and attendance tracking
- Used Firebase for real-time database operations

E-Not Waste App

- Developed a mobile application using Flutter and Firebase
- Integrated real-time database and designed responsive UI

RFID Attendance System

- Created an automated attendance system using RFID technology
- Reduced manual effort and improved accuracy

CERTIFICATIONS

- Web Development Certification
- Data Science Machine Learning Certification

ADDITIONAL INFORMATION

- Strong interest in software development and data analytics
- Willing to learn and adapt to new technologies
